

Creative COW Contest!

TEACHERS:
Get your students
involved today!

<http://www.dairycouncilofca.org/Educators/MobileDairy/>

Check for your student's winning cow pictures featured
on the Mobile Dairy website
each month!

Contest Instructions:

- See cow template on back side.
- Make one copy of the cow template for each student.
- Pass out the day or week following the Mobile Dairy Classroom assembly.
- Students "Create-A-Cow" using the template and write what they learned.
- Collect creative cow drawings from students with name/school/teacher/Mobile Dairy Classroom visit date on the back.
- **Mail to:** Dairy Council of California
1101 National Drive, Suite B
Sacramento, CA 95834-1901
- Check www.dairycouncilofca.org/Educators/MobileDairy/ for your student's winning postcard!

Challenge your students to express their creativity and share with other students
what they learned from their **Mobile Dairy Classroom** experience.

Contest Guidelines:

- The winner will be featured within one month of the date of the visit date at www.dairycouncilofca.org/Educators/MobileDairy/.
- Kindergarten through fifth grade students are eligible to participate.
- One entry per student. Entry must include student's name, school, teacher and Mobile Dairy Classroom assembly date on back of drawing.
- One entry will be chosen each month by Dairy Council of California staff members.

Contest Deadlines:

- Creative COW drawings are eligible to win for up to three weeks after the date of the visit. A winner will be chosen on the last Friday of each month.

Fun COW Facts

(See website for more fun facts, handouts and interactive tools)

Fun Fact 1: A cow drinks about 30 gallons of water per day.

Fun Fact 2: One cow produces about 350,000 glasses of milk in her lifetime.

Fun Fact 3: Cows came to America with Christopher Columbus.

Fun Fact 4: Calves can walk within one hour of birth.

Fun Fact 5: A dairy cow can produce 5 gallons of ice cream per day.
